

**Brian Smith, MD**  
*Associate Professor*  
*Director, Medical Education*

Department of Psychiatry  
West Fee Hall  
909 Wilson Road, Suite B107  
East Lansing, MI 48824  
(517) 353-3070

- Clerkship Director for the Lansing campus of the [College of Human Medicine](#) and the [College of Osteopathic Medicine](#)
- Teaches residents and medical students
- Provides outpatient psychotherapy and medication management
- Interests: Child and adolescent mood disorders, anxiety disorders, autism and ADHD, along with medical student and resident education

Dr. Smith graduated from Cornell University in 1994 with a BA in Biology, and graduated from Michigan State University College of Human Medicine with an MD in 1998. Dr. Smith then completed a combined general and child/adolescent psychiatric residency at UNC Hospitals in Chapel Hill in 2003.

He is board certified in both general and child/adolescent psychiatry. Dr. Smith has extensive clinical experience working with adolescent anxiety and mood disorders and with individuals with developmental disabilities and ADHD, in both university and community mental health settings. He has expertise in medical student education in psychiatry, including completion of the Lilly Teaching Fellowship program, chairing a national committee on membership for the Association of Directors of Medical Student Education in Psychiatry (ADMSEP), coordinating a psychopathology course for over 300 2nd year medical students at 3 campuses, and as part of his role as Director of Medical Student Education in Psychiatry, he acts as lead clerkship director for over 500 students annually on the psychiatry core clinical rotation. Dr. Smith also writes test questions for the National Board of Medical Examiners.
