

Marissa Cohler, MD is a board-certified physiatrist specializing in chronic pain management. She completed her residency training in Physical Medicine and Rehabilitation at the Shirley Ryan AbilityLab (formerly the Rehabilitation Institute of Chicago), consistently ranked among the nation's top rehabilitation hospitals. Dr. Cohler currently practices with Override Health, a virtual interdisciplinary program dedicated to helping patients with chronic pain through evidence-based, multimodal care. She is the author of book chapters in *Pain Procedures in Clinical Practice* and *Medical Aspects of Disability*, and has published peer-reviewed articles in leading journals including *PM&R*, *American Journal of Physical Medicine & Rehabilitation*, and *Medicine & Science in Sports & Exercise*.
