

Kristi Hawley, DO, FAAD

As a board-certified dermatologist serving the Grand Rapids community since 2016, Dr. Hawley thrives as a medical skincare professional providing personalized treatment with skilled hands and a holistic approach to treatment and care. Dr. Hawley is nationally recognized for her expertise in the treatment of psoriasis and eczema and has spoken across the nation on these topics.

An Ohio native, she fell in love with Michigan during her residency at Michigan State University. Since then, she has delved into the many sides of skincare, becoming a rash expert, working closely with the National Psoriasis Foundation, and opening her own practice in 2019.
