

**FREE! MDHHS & MOA
Opioid Training Session**

<https://www.domoa.org/opioid-training-course>

Thursday, May 15, 2025

8 AM-12:15 PM

Somerset Inn

2601 W. Big Beaver Rd., Troy, MI 48084

Course Objective: The MOA will develop and provide training to health care providers for identifying, treating and preventing the misuse of opioids. Training programs will be provided with in-person events, as well as online options to reach all parts of the state. The program goals include enabling primary care physicians to deliver medical treatments that are now burdening clinics and hospitals. Topic must meet the MI LARA Pain & Symptom Management requirements & also qualify towards the 8-hour MATE Act Training for DEA license renewal requirements. For more information on requirements visit www.domoa.org/cmeinfo.
