

Daniel Buerkel, MD

Dr. Daniel Buerkel is a board-certified Cardiologist and Electrophysiologist who has been serving the community for over 20 years. He earned his medical degree from Wayne State University School of Medicine and completed his Internal Medicine residency and Cardiovascular and Electrophysiology Fellowships at the University of Michigan.

He previously served as the Director of Electrophysiology for ProMedica and McLaren Healthcare systems. He is the current Director of Electrophysiology for UPHS Marquette Healthcare System.

He specializes in the treatment of arrhythmias and bradycardias with medications, ablative treatments, and placement of pacemakers, ICDs, and Watchman devices.
