MOA SPRING CONFERENCE

Empowering Osteopathic
Medicine for the Future

May 14 - 17, 2026
Somerset Inn | Troy, MI

Approved for 32 AOA Category 1-A Credits and
32 AMA PRA Category 1 Credit(s)[™]

CONFERENCE PROGRAM

@michiganosteopathic

www.domoa.org

@MichiganDOs

Welcome

Dear Colleague:

Welcome to the Michigan Osteopathic Association (MOA) 127th Annual Spring Conference at the Somerset Inn in Troy, May 14-17, 2026. This program is approved for 32 AOA Category 1-A Credits and 32 AMA PRA Category 1 Credit(s)™.

We are honored to host you during Michigan's largest Osteopathic medical conference – a gathering designed for Osteopathic physicians, residents and medical students committed to advancing their knowledge and clinical expertise.

Enjoy networking with your colleagues, attending a reception and visiting with exhibitors. This year's conference offers 32 hours of continuing medical education sessions presented by experts over four days, intended to enrich your practice and strengthen our profession.

Please visit exhibitors to learn valuable information regarding products and services that may be beneficial to you or your practice and stay updated on industry trends pertinent to the field of medicine.

Together, we continue to learn, grow, and lead as one Osteopathic family!

Michigan Osteopathic Association

A black sticky note with white text, pinned with orange corner tabs. The text on the note reads: "Join the conversation on social media by tagging posts & pics with #MOASPRING".

Join the conversation on social media by tagging posts & pics with #MOASPRING

The Michigan Osteopathic Association is dedicated to supporting physicians through education, advocacy, and community. This conference embodies our 2026 mission:

DO. Learn. Lead.

We look forward to the insights, discussions, and connections that will help shape the future of osteopathic medicine.

ADVANCED INTERNAL MEDICINE www.aim4healthmichigan.com

Here at AIM we are offering services such as primary care, osteopathic manipulation, and expanding Red Light Therapy. We are very excited for the future of Advanced Internal Medicine!

ALL ABOUT WELLNESS & BEAUTY www.avologi.com

With one principle in mind – to develop and deliver the safest and most effective anti-aging & pain management products to consumers across the globe. We proudly offer Avologi systems of infrared light therapy for skin rejuvenation and Pain management. Our light therapy units are FDA-cleared as medical devices.

CASTLE BIOSCIENCES www.castlebiosciences.com

At Castle, it all comes down to people. After all, disease doesn't just happen — it happens to people. We believe that disease management and treatment decisions can be better informed through a person's unique biology, which is revealed through the scientific rigor of our innovative tests. We are committed to empowering healthcare providers and patients with the goal of improved outcomes.

CEQR www.myceqursimplicity.com

CeQur Simplicity is a patch that delivers injection-free mealtime insulin. It's not a pen. It's not a pump. It's a wearable insulin patch! Using a tiny, flexible cannula, you can deliver rapid-acting insulin under your skin.

CITY OF HOPE www.cityofhope.org

At City of Hope®, we're redefining cancer care in the Chicagoland and surrounding areas, with a team of experts delivering leading-edge treatments and whole-person supportive care at lifesaving speed. With locations in Lake County, downtown Chicago and the North Shore, our multidisciplinary teams provide access to appointments within 24 hours, same-day diagnostics and 48-hour pathology results.

CLEAR STRATEGY FINANCIAL

www.myclearstrategy.com

We specialize in providing financial solutions that are tailored to meet your unique needs and goals. Our mission is to help you achieve financial success and security throughout every stage of your life. Our financial planners are dedicated to building long-term relationships with our clients and providing ongoing guidance and advice throughout every stage of your financial journey.

COALITION PROTECTING AUTO NO-FAULT (CPAN)

www.protectnofault.org

CPAN's mission to be the consumer advocate for auto insurance policyholders, those who have been injured in a motor vehicle crash and the medical providers caring for them, representing them at the Capitol, in the courts, and in the public forum.

FLEXIBLE FOOTWEAR COMPANY

www.flexiblefootwear.com

Introducing Flexible Footwear, the first shoe designed specifically to work in harmony with your body

GILEAD

www.gilead.com

At Gilead, we are relentlessly committed to advancing transformative therapies for the most serious diseases, delivering an exponentially positive impact on health.

GMP NETWORK

www.gmpnetwork.org

For over three decades, our professional team has worked with independent physicians to improve quality of care, practice efficiency, and health plan partnerships to provide custom and personal physician practice support.

HEALTH ALLIANCE PLAN OF MICHIGAN (HAP)

www.hap.org

We are your trusted healthcare partner with thoughtful plans, compassionate customer service and benefits that benefit you. We are rooted in Michigan communities and work hard to always put you first.

INSULET CORP

www.insulet.com

Insulet is an innovative medical device company transforming the lives of people with diabetes and other conditions through its Omnipod delivery system.

INTERNATIONAL ASSET FINANCIAL GROUP

INTERNATIONAL
ASSET MANAGEMENT

International Asset Management is an independent financial services firm with 34 years of experience. Two of our main areas of focus are investments that provide a guarantee of principal and investments that provide tax free retirement income."

IPSEN BIOPHARMACEUTICALS, INC.
www.ipsen.com

We are a global, mid-size pharmaceutical company focusing on areas of high unmet medical need.

MDVIP
www.mdvip.com

MDVIP enables a more personalized primary care experience, designed to put your needs first.

MEDIVERA COMPOUNDING PHARMACY
www.mediverarx.com

For more than 25 years, MediVera has been the compounding pharmacy of choice for leading healthcare providers and their patients.

MICHIGAN CLINICAL CONSULTATION & CARE (MC3)
www.mc3michigan.org

MC3 helps providers in Michigan treat pediatric and perinatal patients with mental and behavioral health concerns.

MICHIGAN OSTEOPATHIC POLITICAL ACTION COMMITTEE
www.domoa.org/mopac

MOPAC is the political arm of the Michigan Osteopathic Association (MOA) and the sole voice of the osteopathic profession in campaigns and elections on the state level. Governed by a committee made up of osteopathic physicians, MOPAC is constantly working to increase our effectiveness in elections and strengthen the clout of the physician community.

MICHIGAN DEPARTMENT OF HEALTH AND HUMAN SERVICES (MDHHS)/MICHIGAN PUBLIC HEALTH INSTITUTE (MPHI)
www.michigan.gov/mdhhs · www.mphi.org

The Michigan Department of Health and Human Services (MDHHS) is the state agency responsible for public health, behavioral health, child welfare, and public assistance programs, established in 2015. It serves residents through services like Medicaid, food assistance, foster care, and COVID-19/emergency response.

MPHI is a team of teams, process and content experts with a shared mission to advance population health through public health innovation and collaboration, working to promote health and advance well-being for all.

MICHIGAN STATE UNIVERSITY COLLEGE OF OSTEOPATHIC MEDICINE

www.osteopathicmedicine.msu.edu

College of
Osteopathic Medicine
MICHIGAN STATE UNIVERSITY

Providing world-class, osteopathic, student-centered graduate and medical education and research in order to foster community access to patient-centered medical care.

MIDWESTERN UNIVERSITY CCOM/AZCOM

www.midwestern.edu

The Chicago College of Osteopathic Medicine is the medical school of Midwestern University in Downers Grove, Illinois, United States. CCOM grants the Doctor of Osteopathic Medicine academic degree and is accredited by the American Osteopathic Association's Commission on Osteopathic College Accreditation.

MILLENNIUM HEALTH

www.millenniumhealth.com

Millennium Health is an accredited specialty laboratory with over 15 years of experience in drug testing services helping clinicians monitor use of prescription medications and illicit drugs and effectiveness of treatment plans.

PRACTICE TRANSFORMATION INSTITUTE/MEDNETONE

www.mednetone.com

Originally named Medical Network One and founded as a traditional Physicians Organization in 1981, Med Net One offers a broad array of infrastructure, technology and clinical services to independent physician practices, mid-level providers, behavioral health professionals and chiropractors who are focused on successfully transitioning to fully integrated, population-based, patient-centric practices that meet health reform mandates.

SANOFI

www.sanofi.com

We are an R&D driven, AI-powered biopharma company committed to improving people's lives and creating compelling growth. Our team is guided by one purpose: we chase the miracles of science to improve people's lives.

SUMITOMO PHARMA AMERICA (SMPA)

www.sumitomo-pharma.com

Our Mission is "To contribute broadly to society through value creation based on innovative research and development activities for the betterment of healthcare and fuller lives of people worldwide."

VERTEX PHARMACEUTICALS, INC.

www.vrtx.com

At Vertex, we invest in scientific innovation to create transformative medicines for people with serious diseases.
