

Hello Friend of the Advocates!

The holiday season is a time when we pause to celebrate life and family, and honor our friends and loved ones. In keeping with this spirit, the Advocates for the Michigan Osteopathic Association are once again presenting a very special opportunity to remember that special person while supporting the programs of the Advocates.

The **Tree of Peace** will be displayed in the lobby of our beautiful MOA building for the month of December in Okemos. With your support, it will glow brilliantly throughout the holiday with all dedications being listed in the Book of Honor displayed next to the Tree of Peace.

There are three ways to give:

- **A Shining Light:** For a \$10.00 minimum donation, a Light is dedicated in Memory of Honor of your loved one.
- **A Keepsake Ornament:** For a \$40.00 minimum donation, a Keepsake Ornament will be placed on the Tree.
- **A Tree of Peace Sponsorship:** For a \$100.00 minimum donation, a Keepsake Ornament will be placed on the Tree and you will receive that Keepsake Ornament when the tree is taken down in January.

All proceeds of this fundraiser will benefit our ongoing projects in support of the Osteopathic Profession. The Yellow Ribbon Suicide Prevention Program, the AMOA's Distracted Driving Simulator, and supporting our MSUCOM medical students and their families continue to be the projects that receive the most of our efforts. As always, our hope is to expand the reach of our osteopathic message to interested hospitals, service organizations and schools.

This year's ornament is once again hand crafted of fused glass created by our amazingly talented Michigan Advocates and is pictured below.
