

MOA CIR

OPEN HOUSE

January 16th 6pm

WELCOME

Our vision:

"The MOA values the involvement of interns and residents. The MOA BOT includes positions on the board for a student and a resident. The MOA CIR offers opportunities to learn from those before you and pass that knowledge on to those who follow. The CIR provides a network of support on issues such as physician wellness, preparing for employment, starting your practice, contract negotiation, healthcare policy and legislative advocacy.

Meetings for the CIR work around busy schedules and focus on educational and social events as well as advocacy and mentorship. Joining the CIR provides great benefits from medical school through residency."

What is MOPAC?

MOPAC fights to elect and re-elect pro-physician candidates through direct contributions, voter education and targeted political activism. As a physician, your time and resources are limited. MOPAC is the best resource for you to learn who supports the osteopathic profession and how you can help elect candidates that represents you and your patients.

Meet your MOA Lobbyist, Kevin McKinney!

How to make an impact?

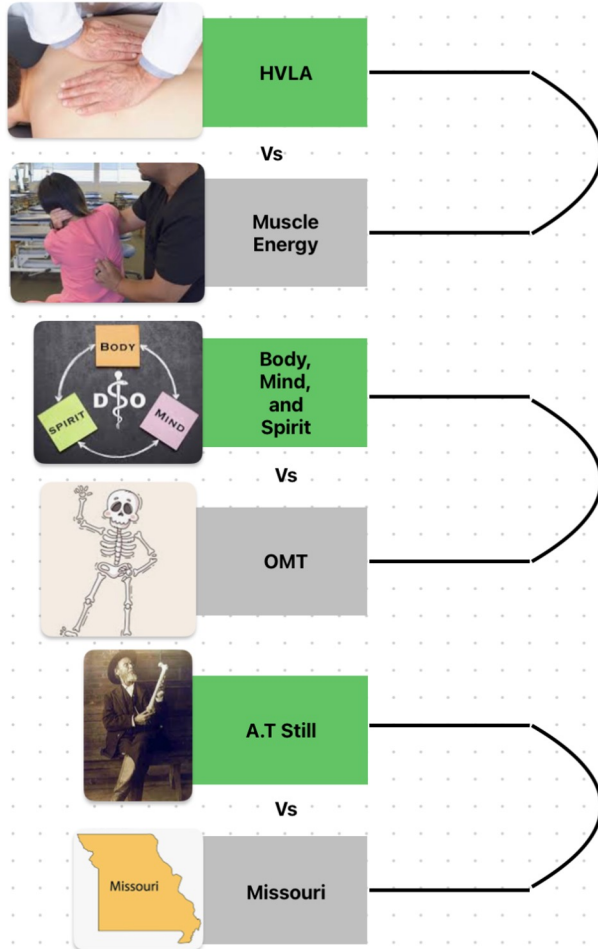

1. Vote!
2. Host or Attend a Fundraiser
3. Host a Candidate at your Facility Practice
4. Host a Voter Registration Drive
5. Write an Op-Ed
6. Serve as a media spokesperson
7. Get to Know Your Candidates
8. Volunteer with a Political Campaign
9. Educate Others on Key Physician Issues
10. Get out the Vote
