

Michigan Osteopathic Association

President Rachel Jones 2020-2021

Despite the COVID-19 pandemic, the Advocates for the Michigan Osteopathic Association had a rewarding and effective year. We were invited to participate in the COVID-19 Facts about the Vax that was presented by the Advocates for the American Osteopathic Association. There, we learned about what is in the COVID-19 vaccination as well as details about the populations to which it is being distributed in each state. We thank the AAOA for their time and dedication to educating us as well as keeping us safe.

The MSUCOM SAA has done a great deal virtually during the pandemic. They hosted a scavenger hunt across MSU campus, organized a pumpkin carving contest, gathered for ornament making, cookie decorating, and mask making. They also threw a Valentine's day fundraiser as well as creating an escape room. We are grateful for our partnership with them, and support them in these projects as well as future ones.

The AMOA focused a lot this year on supporting the community during the COVID-19 pandemic. We stayed home, covered up, and did our best to stop the spread of COVID-19. We also supported Angela Kalcec in her final months as the AAOA president, and thank her for all the work that she has done.

President: Rachel Jones

President Elect: Lauren Stremers

Vice President: Pam Prokop

Secretary: Angela Kalcec
