

Michigan Osteopathic Association

Michigan Board of Osteopathic Medicine and Surgery

Stephen R Bell, DO MHSA, Chair

I am pleased to be able to serve the public and our profession along with my longtime friend and mentor, Dr. Craig Glines. This is Dr. Glines' fifth year on the board, and my third.

The Board of Osteopathic Physicians and Surgeons continues to attempt to protect the public. While it has faded from public attention lately, there is still work to be done on the opioid issue, and that continues to be an ongoing issue.

We are honored for the benefit of the public of our great state and the profession.
