HOUSE OF DELEGATES BOOK

May 22, 2021

OSTEOPATHIC PLEDGE OF COMMITMENT

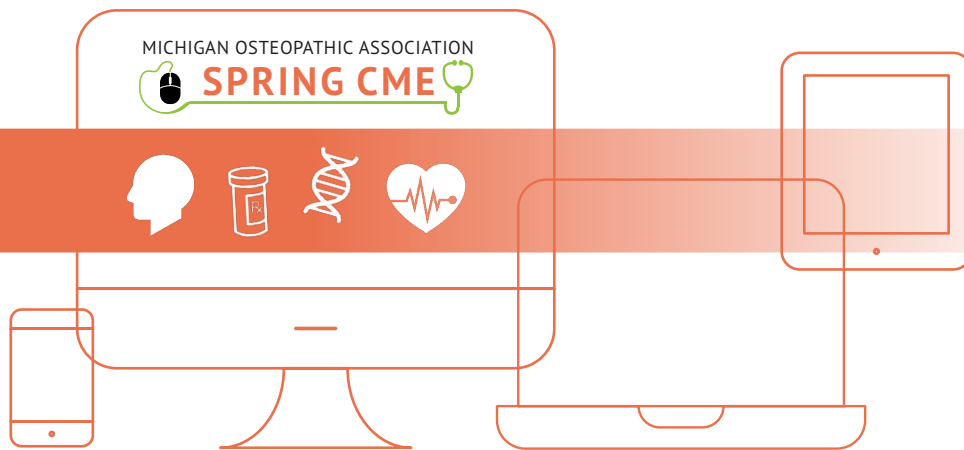

As members of the osteopathic medical profession, in an effort to instill loyalty and strengthen the profession, we recall the tenets on which this profession is founded – the dynamic interaction of mind, body and spirit; the body's ability to heal itself; the primary role of the musculoskeletal system; and preventive medicine as the key to maintain health. We recognize the work our predecessors have accomplished in building the profession, and we commit ourselves to continuing that work.

I PLEDGE TO:

- Provide compassionate, quality care to my patients;
- Partner with them to promote health;
- Display integrity and professionalism throughout my career;
- Advance the philosophy, practice and science of osteopathic medicine;
- Continue life-long learning;
- Support my profession with loyalty in action, word and deed; and
- Live each day as an example of what an osteopathic physician should be.

IMPORTANT LICENSING UPDATE

Osteopathic physician licenses no longer expire on the last day of the year (12/31) of a three-year cycle.

Message from MI LARA Bureau of Professional Licensing:

All health provider licenses now expire on the month and day in which the license was initially issued. Physicians are on a three-year licensure cycle, and based upon the month and day of when the license was initially issued, some providers' expiration date will exceed the typical three-year licensure cycle.

Continuing education hours must be earned within the three-year period prior to licensure renewal.
