

Michigan Osteopathic Association

Michigan Osteopathic College Foundation

Craig L. Magnatta D.O. – MOCF President

I would like to report that the Michigan Osteopathic College Foundation planned to celebrate the annual Gala on February 5, 2022 but had to cancel the event due to a surge in the COVID-19 pandemic. Eventhough there was no Gala affair, the Michigan Osteopathic College Foundation Student Impact Initiative was able to raise donations to support scholarships and fund medical school projects to the tune of about \$400,000. Currently the corpus of our endowment fund has a market value of over \$11 million which will ensure continued support for Michigan State University College of Osteopathic Medicine for years to come. We are currently planning for the next Michigan Osteopathic College Foundation Gala in February, 2023. I hope to see you there. Thanks for your support.
