

## RESOLUTION 2022-E

**SUBJECT:** Reduce CME Yearly Credits

**SUBMITTED TO:** Michigan Osteopathic Association House of Delegates

**SUBMITTED BY:** Stephen Swetech, DO, FACOFP

**REFERRED TO:** Public Affairs Reference Committee

**RECCOMENDATION:** Disapprove as written

**ACTION TAKEN AT MOA HOD:**

---

1 **Whereas,** Michigan Continuing Medical Education (CME) requirements is 150 for 3 years; and

2

3 **Whereas,** Michigan and Pennsylvania have the highest requirements which are financially  
4 negative impact; therefore be it

5

6 **Resolved,** the State of Michigan, Michigan Osteopathic Association and the American  
7 Osteopathic Association request a reduction in requirements.

**NOTES FROM REFERENCE COMMITTEE:** The topic and concept are timely and important, but the content of the resolution requires additional substance and clarification with an ask to be presented to the MOA and/or AOA. The Committee recommends the resolution give a number they feel is appropriate and then have one third or half of those be AOA approved credits or no separation in the type they are to take into account the new amalgamation of post graduate training.
