R Taylor Scott, DO

### Staff

Melissa Budd, CME Program Manager

Marc Staley, Manager of Finance

The Michigan Osteopathic Association (MOA) Department of Education committees meet throughout the year to discuss medical topics of interest to develop quality continuing medical education programs. The committees serve as the planning committees for live conferences and on demand CME programs that allow physicians, nurses and other health care professionals to meet state licensing requirements.

The MOA is accredited by the American Osteopathic Association (AOA) to provide osteopathic continuing medical education for physicians. Activities were planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Michigan State University College of Osteopathic Medicine (MSUCOM) and MOA.
