John Everett, DO., Secretary

The MOA Council of Past Presidents had its last annual meeting April 27, 2023.

Ten MOA Past Presidents were in attendance. MSUCOM Dean Dr. Amalfitano could not attend but did submit a report.

The next scheduled meeting is April 8, 2024.

We did receive information on the status of the MOA Past Presidents Scholarship awarded annually to a deserving 4th year MSUCOM graduating senior.

We are available to offer and assist our MOA leadership and family as requested.

Please feel free to contact us.

Respectfully submitted,

Gerald F Robbins, D.O FACN, Chair
