Past President – David Best, DO, Secretary/Treasurer – Kevin Beyer, DO

MOA is still billing and servicing our Delta Dental and VSP vision programs in-house. Delta Dental premiums will not see an increase again this year. Vision will see a slight premium reduction with added benefits. MOA has a longtime relationship with The Salus Company for our member's health insurance needs. Call now for an employee benefit annual exam, call (866) 991-9907 and ask for Kris Morrison, be sure and mention that you are a member of the MOA!

As you know, the MOA launched its own osteopathic physician organization, Health Care Partners of Michigan (HCPM). Our team has allowed MOA to be represented and at the forefront of many issues facing our physician members. Visit www.domoa.org/hcpm to learn how becoming a member of this organization can help you succeed in your practice more efficiently, economically, and with less stress. We think you will be impressed.

Our partner, MCAG, brought to us by our friends at MHA, are experts in recovering money due to their clients from class action settlement funds. MCAG clients are informed of all pertinent opportunities to receive the maximum recoveries they are due – and all deadlines are met to file a complete and timely claim with minimal effort on the part of their client's staff. Since its founding in 2003, the hard-working team at MCAG has recovered over \$255 million for their clients. MOA is excited to be able to bring this to our physician practices, visit <https://www.domoa.org/mcag> for more information on registering your practice.

MOA has established relationships with a variety of companies that support the osteopathic profession and offer quality products and services to meet the needs of osteopathic physicians. Many of our MOA Business Partners offer products and services at discounted rates. Whether it's for convenience or price, please take some time to check with the Membership Business Partners listed at <https://www.domoa.org/membership-business-partners> when looking for products or services in the future. If you have a great vendor you work with, please tell them about the program or contact Cyndi Earles at cearles@domoa.org. MOA is always looking for trusted vendors to offer our members.
