Council of Interns and Residents Report

Brittany Garza, DO, CIR Chair

The MOA Council of Interns and Residents remains the voice of interns and residents. Over the past year, the Council remained focused on reaching out to students and residents.

The CIR has put a new eBoard in place and is excited for the year ahead.

Plans are being made for a reception at the upcoming Spring Conference, as well as social gatherings and webinar presentations for all Interns and Residents in the coming year.
