Awards & Recognition Committee

The Committee selected the MOA Outstanding Graduating Senior from MSUCOM the evening of March 19th. The four students interviewed were amazing candidates, and choosing was a very difficult task. Due to the COVID-19 virus, the annual dinner/interviews were not held, however, after in depth phone interviews with each nominee, Sarah Harris-Kober was chosen as the recipient, she will be recognized and receive a \$1,000 cash award at the MOA House of Delegates.
