MOA Scientific Research Exhibit Committee

Education Department Co-Directors

Kevin Beyer, DO, Trustee

Adam Hunt, DO, MHS, Trustee

Education Committee Co-Chairs

Chad Kovala, DO, FACOEP, FACEP

R Taylor Scott, DO

The MOA Education Committee and MOA Autumn Sub-Committee meet throughout the year to discuss medical topics of interest to develop quality continuing medical education programs. The committees serve as the planning committees for the MOA Annual Spring and Autumn Scientific Conventions.

MOA hosts its Scientific Research Exhibit (SRE) competitions during the annual conventions. The competitions provide osteopathic medical students, osteopathic residents, fellows and attending level physicians throughout Michigan an opportunity to present their medical and scientific research to their profession.
