Membership Committee

The Membership Committee has again focused the year on retaining and gaining members, especially younger members. Keeping in line with the Committee's goal to focus on the recruitment of students and residents, they created the Convention Sponsorship Program for the 2020 Spring Convention. The purpose of the sponsorship program is to provide exposure to the MOA as well as provide networking opportunities to students and residents free of charge. Three students, one from each MSUCOM campus, and one resident will be chosen to participate in the program. The Committee also hosted another successful resolution writing workshop that was put on at the 2019 MOA Autumn Convention.
