

Brief BIO: Alisa Young, MD

Dr. Alisa Young is an assistant professor in the Department of Family Medicine at the University of Michigan Medical School. She serves as the Family Medicine department's champion for cervical cancer screening as well as the Quality Improvement committee at Michigan Medicine. She does research in prevention of HPV-related disease, HPV vaccines, and cervical cancer screening. She's a practicing clinician at Michigan Medicine's Briarwood Family Medicine site and is excited to talk to you today about new modalities of screening for cervical cancer.
