

# Student Liaison Committee

The MOA Student Liaison Committee is dedicated to communicating student needs and planning outstanding events to keep students in osteopathic programs across the state connected with the MOA and each other. The committee includes student liaisons from all three Michigan State University College of Osteopathic Medicine campuses (East Lansing, Detroit Medical Center and Macomb University Center).

## APPLY TO SERVE **2023** STUDENT *as a MOA/MSUCOM* LIAISON

As a student liaison, you attend and assist with promoting all MOA-hosted events. You are also invited to represent MOA at various community events throughout the year.

Learn more about the MOA and the MOA Student Liaison Committee, view current liaisons and apply to be a student liaison by visiting [DOMOA.org/MedicalStudents](http://DOMOA.org/MedicalStudents).

**The deadline for applications is noon Friday, October 11th.** Interviews, for those selected, will be held at each campus on Monday, October 14th starting at 5:15 pm. Please direct questions to a 2022 student liaison or Terry Trombley, MOA Administrative Assistant at [ttrombley@domoa.org](mailto:ttrombley@domoa.org) or 517-347-1555 Ext 100.

## FAQ's

### What is the Michigan Osteopathic Association?

The MOA is YOUR state association! MOA represents more than 7,000 osteopathic physicians and medical students. Learn more at [DOMOA.org](http://DOMOA.org).

### What does the MOA D.O. for you?

- Educates through continuing medical education (CME) programs
- Advocates for osteopathic physicians and positive health care legislation
- Communicates through the email newsletter, the quarterly magazine (TRIAD), social media (Facebook & Twitter) and website ([www.domoa.org](http://www.domoa.org)).

### What are student benefits of membership?

In addition to the benefits listed above, students enjoy several more targeted benefits of membership:

- The MOA hosts free luncheon and dinner lectures throughout the year
- Attend the free MOA Student Program and Reception at the Annual Spring Scientific Convention in May
- One of the most prestigious awards for MSUCOM students is the MOA Outstanding Graduating Senior Award, presented with a monetary award to one student each year at commencement
