Providing services for the public regarding health care, disease prevention, and community resources.

The Oakland and Macomb County Osteopathic Medical Associations are the voice of the Osteopathic profession in your county. Their purpose is to advocate for, inform and empower physicians so they can focus on providing the best quality patient care now and in the future. Without your support as a member none of this would be possible. Please accept our heartfelt thanks for your continued support.

Please utilize these vendors - their support makes these events possible and keeps registration fees low.
